YOUR GOAL

INTERIOR DESIGNER

CLIENTS BRIEF

1. Recreate the tired Edwardian bedroom into a contemporary design to make it feel modern, fresh and bright.
2. Require more storage, preferably fitted wardrobe space.
3. This main bedroom is used daily and must include an area for dressing and a make-up area.
4. A hidden area for secure storage would be an exciting twist.
5. Canovas and Colefax interiors would be highly preferable. but also open to 'fun' wallpaper and 'fun' artwork, such as Contemporary art by Mackenzie Thorp.
